The Cypress

1380 SQ. FT.

The Cypress is a 1380 sq ft home with a classic and elegant exterior design. This 3-bed, 3-bath home has a spacious and functional floor plan that suits any lifestyle. Additional side access into the Laundry room would allow for future garage to be seamlessly attached to the home. Perfect for those who love style, comfort, and convenience.

NOTE: The Cypress can be designed and built as shown to be installed on a basement foundation and can also be built to be self contained and placed on Helical engineered screw piles.
