The Hazel

1509 SQ. FT.

The Hazel is a cozy and modern home that offers three bedrooms and two bathrooms in a compact and efficient layout. The narrow facade of The Hazel allows this home design to be placed in urban and rural properties, while maximizing the natural light and ventilation.

NOTE: The Hazel can be designed and built as shown to be installed on a basement foundation and can also be built to be self contained and placed on Helical engineered screw piles.
